Marina Del Rey Tide Gate Rehabilitation Project

LA County Board of Supervisors – ADOPTED:

http://file.lacounty.gov/SDSInter/bos/supdocs/55685.pdf

https://ceqanet.opr.ca.gov/2007041136

Summary

SCH Number
2007041136
Lead Agency
Los Angeles County
Document Title
Marina Del Rey Tide Gate Rehabilitation Project
Document Type
MND - Mitigated Negative Declaration
Received
4/30/2007
Present Land Use
Conservation / Open Space
Document Description
The project will include physically cleaning and removing specific debris deposits from three existing discharge pipes with an on site mobile vacuum truck for (or similar technology); repairing the discharge pipes by inserting a linear pipe and grouting the space between the new linear pipe and the existing discharge pipe; retrofitting the discharge pipes with new automated gate assemblies; and repairing the concrete walls at the inlet and outlet sides of the discharge pipes. In order to maintain the tide gate facility in operation, the construction will be conducted in phases with each phase including temporary coffer wall (or sand bags) installation at the inlet and outlet of the discharge pipes followed by dewatering to allow for the execution of the rehabilitation work. At least one discharge pipe will remain in operation while the other discharge pipes are being cleaned and retrofitted.
